The Registered Behavior Technician (RBT) is one of the credentials extended by the Behavior Analyst Certification Board to paraprofessionals who execute interventions for promoting socially acceptable behaviors. RBTs are taught the basics of applied behavior analysis to support developmentally disabled individuals, but they must function under the supervision of a Board Certified Behavior ...

Registered Behavior Technician (RBT)

I highly encourage you to find a BCBA or BCaBA near you to administer the competency exam. These are the steps I would take: Step 1: Email every BCBA and BCaBA on the BACB registry within driving distance. Doing the competency exam in person is best. Step 2: Google your city's name and "ABA agency".
