I bought this because it was the only hymnal available on prime. I was making gifts for grandmothers. I tried to find songs that we all knew. A truly great hymnal with many old and new worship songs. I hope that someday soon it will be updated to include some of the best of the newest, but it is nearly mandatory to have a great hymnal like this if you want to worship using both the old and the new. Thanks, Celebration for making me want to go back to my piano again and to play hymns.
