The Opel Astra is a compact car/small family car engineered and manufactured by the German automaker Opel since 1991, currently at its sixth generation. It was launched in September 1991 (for the 1992 model year) in hatchback, saloon, and station wagon (known as the Astra Caravan) forms. A sedan delivery/panel (the Astravan) and a convertible (the Astra Cabrio) also appeared in the early 1990s.

What are the symptoms of the automatic transmission fluid or filter going bad? When the transmission filter becomes clogged with debris, you may notice the engine revving when you're not accelerating the vehicle — this is called transmission slipping. When the filter is so clogged that transmission fluid can't be pumped through it, the transmission won't be able to produce the hydraulic ...
