Gas Reservoir Engineering (SPE textbook series) by Lee, W. John, Wattenbarger, Robert A.

Gas Reservoir Engineering (SPE textbook series) by W. John ...

Saturated gas drive reservoirs are characterized by rapid and continuous decline of reservoir pressure. The resultant effect of this phenomenon is the early decline of reservoir performance at the primary stage of the life of the reservoir. The recovery of hydrocarbon from this type of reservoir through the conventional lifting (spontaneous production) is inefficient and uneconomic due to its ...
