An ebook (short for electronic book), also known as an e-book or eBook, is a book publication made available in digital form, consisting of text, images, or both, readable on the flat-panel display of computers or other electronic devices. Although sometimes defined as "an electronic version of a printed book", some e-books exist without a printed equivalent.

after another, reduces all strange constitutions, all new powers, to their class and their law, and goes on for ever to animate the last fibre of organization, the outskirts of nature, by insight.

The American Scholar - Ralph Waldo Emerson

So, I sat my ass down and began writing the ultimate guide to running. I went through over a thousand posts, 100's of comments and emails, and pages of personal notes. I also ran surveys on social media and asked everyone I could get my hands on about their burning running questions and problems. One year in, The Runners Blueprint System was born.
