Book review: Jef Verschueren, Ideology in Language Use ...

Language ideologies are conceptualizations about languages, speakers, and discursive practices. Like other kinds of ideologies, language ideologies are pervaded with political and moral interests and are shaped in a cultural setting. To study language ideologies, then, is to explore the nexus of language, culture, and politics.

Ideology in Language Use (Dec 05, 2013 editien) | Open Library

The language used in news reports or even in their headlines is very influential in attaining the communicative intent of such news reports. This language is characterized by various linguistic features. One aspect of those features is the pragmatic one. This latter issue has not been given its due attention in research study.
