The audiobooks are read by volunteers from all over the world and are free to listen on your mobile device, iPods, computers and can be even burnt into a CD. The collections also include classic literature and books that are obsolete.

Investment Science By David Luenberger

Luenberger does an incredible job of leaving significant holes in his lessons. In addition to this, many of his examples contain seemingly obvious errors. I have no doubt that he is an intelligent man and an expert in the field of Investment Science, but I confidently claim that he is a terrible educator and author.
