Here are some language learning tips I've gathered over the past few years: 1. Conversation, Conversation, Conversation. If there's a “secret” or “hack” to learning a new language, it's this: hours and hours of awkward and strenuous conversation with people better than you in that language. An hour of conversation (with corrections and a dictionary for reference) is as good as five hours in a classroom and 10 hours with a language course by yourself.
