Shipping plays a central role in global trade, meaning that maritime law can offer a wide range of career opportunities. With a global reputation for maritime research and world-leading academics, Southampton Law School is one of the best places in the UK to study for a master's in maritime law.

Maritime Law Master's Degree | LLM | University of Southampton

Law enforcement in the United Kingdom is organised separately in each of the legal systems of the United Kingdom: England and Wales, Northern Ireland and Scotland. Most law enforcement is carried out by police officers serving in regional police services (known as territorial police forces) within one of those jurisdictions. These regional services are complemented by UK-wide agencies, such as ...
