Remembering Inflation By Granville Brigitte

Today's global economy, with most developed nations experiencing very low inflation, seems a world apart from the "Great Inflation" that spanned the late 1960s to early 1980s. Yet, in this book, Brigitte Granville makes the case that monetary economists and policymakers need to keep the lessons learned during that period very much in mind, lest we return to them by making the same mistakes we made in the past.

Brigitte Granville (Author of Remembering Inflation)

In this book, Brigitte Granville makes the case that monetary economists and policymakers need to keep very much in mind the lessons learned during the Great Inflation of the 1970s, lest we return to make the same mistakes. Tackling fundamental questions such as the causes of inflation and its relation to unemployment and growth, the natural rate of inflation hypothesis, the fiscal theory of the price level, and the proper goals of central banks, the book aims above all to demonstrate the ...

Book Review: Remembering Inflation by Brigitte Granville ...

Granville details the advances in macroeconomic thinking that gave rise to the "Great Moderation"--a period of stable inflation and economic growth, which lasted from the mid-1980s through the most recent financial crisis.

Project MUSE - Remembering Inflation

The article reviews several books including "The Environmental Advantages of Cities: Countering Commonsense Antiurbanism" by William B. Meyer, "The Locust and the Bee: Predators and Creators in Capitalism's Future" by Geoff Mulgan and "Remembering Inflation" by Brigitte Granville. Inflation, Tax Rules, and Capital Formation (Book Review).

Granville, Brigitte: Remembering inflation

seriously. Brigitte Granville's latest book Remembering Inflation represents a step in this direction, with the author reviewing the history of thought on inflation and offering important lessons for today. As its name suggests, the book urges us not to forget the threat of inflation in the mist of the current crisis. Ironically, this book has been published at a time when central bankers in the US, the UK, and the EU are injecting

Book Review: Remembering Inflation by Brigitte Granville
