Seeing Anthropology 4th Edition Chapter

In Exploring Public Speaking, especially in its second through fourth editions, we have attempted to create a usable, zero-cost textbook for basic public speaking courses or courses that include basic public speaking skills as one of their primary learning outcomes. The free, open nature of the text means that instructors are able to use all or part of it, and add their own materials.

A democracy is a political system, or a system of decision-making within an institution or organization or a country, in which all members have an equal share of power. Modern democracies are characterized by two capabilities that differentiate them fundamentally from earlier forms of government: the capacity to intervene in their own societies and the recognition of their sovereignty by an ...
