The Blue And The Gray

Blue-gray (American English) or blue-grey (British English) is a medium bluish-gray color. Another name for this color is livid; this color name comes from the Latin color term lividus meaning "'a dull leaden-blue color', and also used to describe the color of contused flesh, leading to the English expression 'black and blue'". There is a range of colors called livid colors that combine the ...

Blue and Gray with a Suit and Tie. The easiest way to coordinate blue and gray is to match the two in a suit and tie combination. It's commonly said that when a man first ventures into the world of tailored clothing—or into the working world that demands such a dress code—he should begin with a navy blue suit. Using a gray tie with this navy suit is a surefire way to earn style points.
