The Corporeal Turn: Affect, Embodiment and Necessity in ...

Abstract. A language of wrongs is better articulated when attention is paid to grammar of human bodies. Wrongs described in Chap. 2 may thus be seen as violent modes, patterns, and formations of human bodies conditioned to move against each other in collective social life. Such socially conditioned corporeal habits are complicit in cycles of violence that discriminate, exclude, and

Here are the 10 reasons why you should follow your passion and not the money. Advertising. 1. Working for money may seem like good enough motivation for one to keep at their career. Every morning Monday through Friday you go to work 9 to 5 sitting their punching away the hours stressing about the work at hand. This is not a way to enjoy your life.

10 Reasons Why Following Your Passion Is More Important ...

Christ's Passion is a sufficient cause of man's salvation.

SUMMA THEOLOGIAE: The necessity of the sacraments (Tertia ...

Commending a phenomenological sense of embodiment, I argue that this is a serious omission since there are many ways in which power operates on a corporeal level. I show in this article how the senses, although mediated by social and political structures, affect social encounters and I explore the body's efficacy in political life.

Experiencing Discourse: Corporeal Communicators and the ...

The third opinion is that of Democritus, who held that action takes place through the issue of atoms from the corporeal agent, while passion consists in the reception of the atoms in the pores of the passive body. This opinion is disproved by Aristotle (*De Gener. i, 8,9*).

SUMMA THEOLOGIAE: The action of the corporeal creature ...

Passion is a hidden issue behind or at the heart of, contemporary theoretical debates about nationalism, identity politics and religious fundamentalism. It is not that reason and passion cannot be conceptually ...
